5 Strategic Action Lines

Where citizens, governments, and
business come together

WiConnect

 IDB Group

The GPS of the Strategy

WHAT ARE THE ENTRY POINTS TO PARTICIPATE IN THE ENGAGEMENT LEVELS AND WHO ARE RESPONSIBLE FOR IMPLEMENTING THE STRATEGY IN THE COUNTRY?

COUNTRY LEVEL

The **Country Representative** has the mandate to include citizens when adding value to public sector (IDB) and private sector (IDB Invest) initiatives and operations.

The **Head of Operations**, together with the **sectoral and operational specialists** are responsible for supporting the Country Representative, in his/her areas of competence, to add citizen inclusion actions that multiply the positive impact of an initiative or operation.

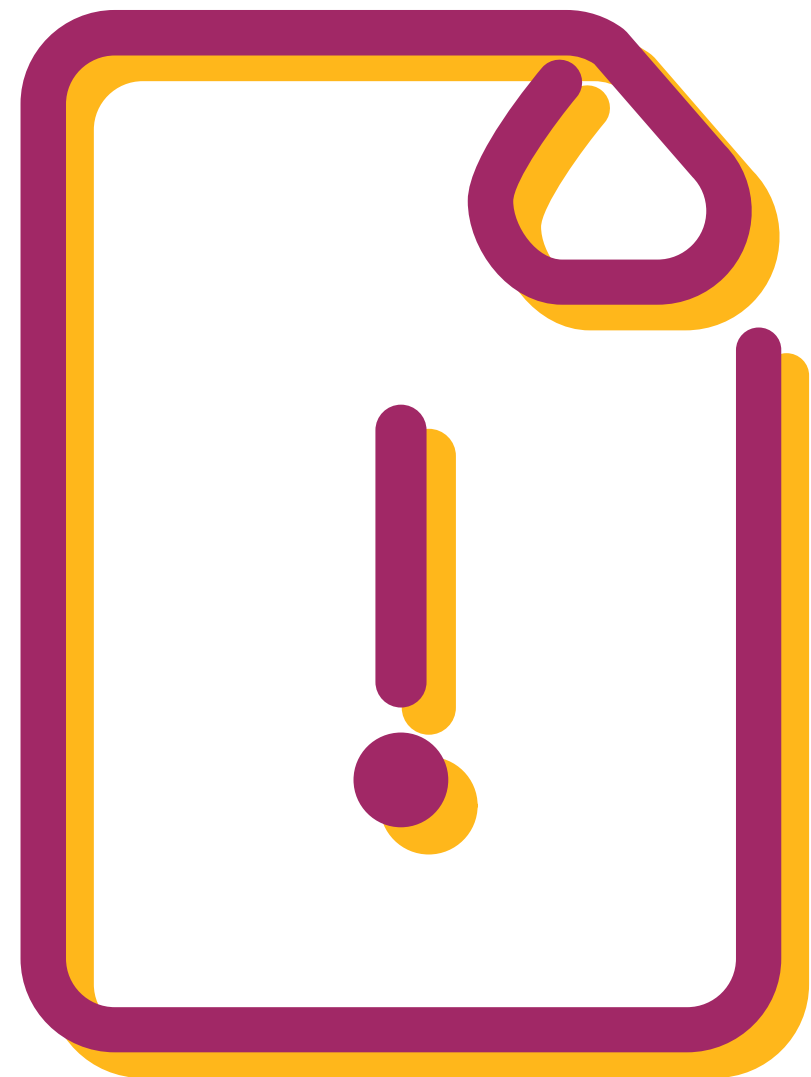

REGIONAL LEVEL

At the regional level, the Citizen **Participation One-Stop-Shop** at the **Vice Presidency for Countries**, in coordination with the **Country Departments**, is responsible for the implementation of the Strategy at the regional level, as well as for the articulation of internal and external resources to achieve its objectives.

How to navigate the IDB?
